

Working in e-Health: What can Europe do for you ?

The Alps Bio Cluster team is organizing a thematic meeting on the European funding opportunities for your projects in e-Health field.

With the support of the Swiss Agency for European Research and Innovation – EURESEARCH, and experts of EU-funded projects – VITAMIB, the objective of the meeting will be to identify the most adapted European financing tools to your needs and your projects.

Monday 11 April 2011 - 14h-18h30
