ET MÉDICAL

Dear Sir/Madam,

AGBM (The French Alliance for BioMedical Engineering) is organizing the 6th « Innovative Medical Technologies » competition, the prizes will be awarded on 21 May 2010.

What are the prizes ? An award to promote and help develop medical devices exploiting the most advanced technologies and best addressing the needs of health care users and professionals.

Make it sound important ! Where are the prizes being awarded, by whom ? Sell the competition : One small step for a participation, one giant leap for promoting your innovation* !

Innovators, we invite you to enter this competition. Please take note that the **closing date** for applications is **10 January 2010**.

Application forms can be downloaded from the AGBM website: www.utc.fr/agbm

We thank you in advance for your participation in this exciting event.

Yours faithfully,
