

## ELIGIBILITY OVERVIEW

Under the AAL Joint Programme, national funding rules are applied (see details on national rules in the following pages). The following overview is meant to give a quick orientation on the **general eligibility** of potential project partners under Call 2010-3 of the AAL JP. It is highly recommended to contact the AAL NCP for a final clarification.

Most funding organisations apply the following rule (with importance especially for users' and other organisations): Project partners can only benefit from funding under the condition that they prove their involvement in RTD activities of the project.

**Explanations:**

- ✓ = eligible for funding
- ✗ = not eligible for funding
- ☎ = please consult the AAL NCP
